What to Bring:

The recommended attire for camp is T-shirt, shorts, long white socks and old sturdy sneakers. Billed caps and sunscreen would be advisable. Please expect that sometimes these clothes will get wet and muddy.

Non-perishable lunches, snacks, and drinks should be brought to camp each day.

Please do not bring any food that contains any peanut or nut products (other children may be allergic); check all product labels to make sure. Campers should always have a bottle of water with them each day. Please use a backpack to carry lunch and supplies.

Important Forms:

- **Participant Information Form**

You **MUST** bring this form, completed and signed, with you on the first day of camp. Without this form, we cannot accept your child at camp. Please note somewhere on the Participant Information Form your child's swimming ability.

Please notify the Camp Director in writing of any allergies or health concerns pertinent to your child's camp experience.

- **Medication Order Form**

Sending medication to camp is highly discouraged. But, if it is necessary for medication to be administered during the operation of the camp, a Medication Order Form must be filled out and signed by the parent. Forms are available on the Department's website: www.hcrpsports.com or can be obtained at camp on the first day. A separate form is required for each medication. All medications must be in the original container with the medication name, physician's name, dosage and expiration date.
