The camp will meet around the right side of the building near the playground. At this camp, children will learn how to take care of our parks and be creative in crafts and in their thinking. We will do experiments, cooperate in games and hike every day.

On the first day of camp, please bring a light colored t-shirt for your child to paint. Also, send a nature picture (animal, flower, tree, etc.). The campers will talk about their pictures during circle time.

The recommended attire for camp is a t-shirt, shorts, LONG white socks and old sturdy sneakers. These clothes will sometimes become muddied and wet during the activities. Billed caps and sunscreen are advised (Please apply sunscreen and/or bug spray prior to camp). We will go out on a hike each day, rain or shine. Shoes should be securely closed (laced or Velcro) and must be worn at all times during the camp program. **NO SANDALS!!** On creek day, Thursday (rain date Friday), you may pack old shoes or boots for your child to wear.

Send a water bottle and a snack for your child each day. Please do not bring any snacks that contain any peanut products (other children may be allergic). Avoid apple juice and apples as they attract BEES!

The camp will still be held regardless of the weather. Activities or program location may need to be adjusted depending on weather conditions. Decisions regarding any program changes are made one hour prior to the camp start time and are announced on the Department's program status line, 410-313-4451.
