

Adventure Camp Directors & Camp Counselors

Are you ready for the summer of your life? Meet people your age with similar interests while being a positive role model for children and teens. Howard County Department of Recreation and Parks is looking for candidates with organizational skills, motivation, patience and a sense of humor with a caring attitude to work in their Summer 2008 Adventure Camps. Camp counselors are selected for their talent and skills in working with children and the outdoors. Previous experience in canoeing, kayaking, camping, mountain biking, and/or rock climbing are preferred. Positions may include working long days and overnight trips. Applicants must be age 18+ and have experience working with children. Most programs run 35-45 hours per week. Salaries vary based on position and qualifications.
