OF RECREATION AND PARKS

COLUMBIA, MD 21046-1677**

2009 HOWARD COUNTY SOFTBALL LEAGUE RULES

1. ROSTERS

- Each team shall be limited to 22 players at any one time.
- The team manager shall submit to the Department before the first game of the season a roster of all of the players on his/her team. Official rosters may not be changed following **May 22 12, 2009. Failure to turn in a roster before the first game will result in forfeiture of every game until the roster is on file with the League.** Umpires will not be assigned to any game in which a team does not have a roster on file with the League Office.
- Rosters are to be submitted on the official roster form. Each player's full name, signature, address and home and work phone numbers must appear on this form.
- Any additions or deletions must be on the official league drop/add form and be submitted to the League Office before the player is eligible to play. A player shall be officially released in writing by the team manager before he/she may sign with another team. (see sec. 2 - Player eligibility below)

2. PLAYER ELIGIBILITY

- Players may play on as many teams as desired as long as they are on the roster. Players may be on only one roster per night. (Example: A player may play for a team on Monday night and for another team on Wednesday night. He/she may not be on two Monday night Men's teams or on a Monday night Men's team and a Co-Rec team, etc.)
- All players must be at least 18 years of age.
- Any team using an ineligible player shall automatically forfeit each game in which the player participated. If a team uses **a suspended player** or a player under an assumed name, that team shall automatically be dropped from the League. Each game played with that player and all scheduled games not played shall be forfeited to the opponents.
- Protests as to the use of an ineligible player must be made within 48 hours of game time and no protest fee is required. The protest must be submitted in writing to the Department.

3. PLAYING RULES

- Unless modified by this set of rules, all games shall be played in accordance with the current Amateur Softball Association (A.S.A.) slow pitch or the United States Slo-Pitch Softball Association (U.S.S.S.A.) rules.
- When each batter enters the batter's box, he/she shall have the count of one ball and one strike. After the batter has reached two strikes, he/she will be declared out when he/she hits a second foul ball. (If the foul fly ball is caught, runners may tag and advance at their own risk.)
- Technical Outs: As a sanction against those teams or individuals whose behavior is unacceptable, but the umpire judges that ejection is too severe a penalty, the umpire may invoke the technical out against the offending team.
 - a. Offense: If the team at bat is guilty of unsportsmanlike conduct, the umpire may enforce an out against them. If this is the first or second out of the inning, the game continues with the batters and base runners unaffected; an additional out is simply added to the teams total. If the technical out is the third out of the inning, the next inning will resume with the batter who would have batted had the out not been called. In this case the batter will begin with a fresh one-and-one count.
 - b. Defense: If the team in the field is guilty of unsportsmanlike conduct, the umpire may

- invoke the technical out rule by giving them an out when they come to bat.
- c. Two consecutive technical outs may not be assessed against the same team. At least one pitch (legal or illegal) must intervene. An ejection for any unsportsmanlike behavior must be accompanied by the charging of an out against the offending team.
 - d.
- A game may start and/or be played with a minimum of 9 players. There will be no automatic out for the vacant spot in the line-up (**Men's and Women's League only**).
 - If a 10th player arrives after the start of a game, he/she shall bat in the 10th position.
 - A team forfeits a game when it fails to have the minimum number of players to start a game or maintain the minimum number of players to continue playing. Teams participating in a double header with the same team will forfeit each game separately. Double header teams that forfeit their first game of the day due to insufficient number of players, must begin the second game of the double header as soon as they have the minimum number of eligible players present but no later than the scheduled starting time of the second game.
 - Teams starting with 10 or 11 players and having to drop to 9 or 10 players with no substitutes available:
 - a. If a player has to leave the game and the player is a base runner, the runner is declared out.
 - b. When a team plays shorthanded because a player leaves the game, the player cannot return to the line-up.
 - c. If there is an eligible substitute at the game, or if an eligible substitute arrives before the game is over, the substitute must enter the game.
 - e. A Men's or Women's team can drop from 11 to 9 players without a forfeit being declared.
 - f. A Co-Rec team can drop from 10 to 9 or 12 to 11 players without a forfeit being declared. An automatic out will be taken for the vacant spot in the line-up. Dropping below 11 (from 12) players will result in a forfeit.
 - An ejected player may be replaced in the line-up with an eligible substitute.
 - Additional Hitter(s) (or Extra Players) Rule (optional in ALL LEAGUES) A team may insert an additional hitter (or extra player), (two hitters in Co-Rec: one male and one female), into its line-up at the start of a game only. The batting order must remain constant, however, any 10 of the 11 (Men's and Women's); or 10 (5 men and 5 women in Co-Rec) of the 12 can take a defensive position throughout the game.
 - In the Men's and Women's Leagues, if the game is started with 11 players, it must end with 11 players if substitutes are available. A team may finish with 10 or 9 players when there is not a substitute available. An automatic out will be taken for each vacant spot in the line-up.
 - A limit of over-the fence home runs will be used in all divisions. All balls hit over the fence by a team in excess of the following limitations per game will be ruled an out: **Co-Rec C5 -5 or D1-1 , Men's D3-3 or Men's D1 - 1**. There will be no limit to the number of inside-the-park home runs. **Players no longer have to run out over the fence home runs. The batter and all runners on base can now go straight to the bench.**
 - No player(s) shall be ejected for hitting an over-the-fence home run in excess of the home run limit.
 - There shall be a 65 minute time limit for all games regardless of the number of innings played. No new inning may start after the 65 minute has elapsed. In the event of a tie game, the game will not be continued into the next inning once the time limit has expired: The game will remain a tie. Games that are not considered regulation (five or more innings unless stopped due to the time limit) shall be resumed at the point of interruption with the same identical situations as when the game was stopped. Exception: Curfew, darkness, light failure, or rain shall supersede the 65 minute time limit as long as 5 innings have been completed. If this occurs the game shall be considered a legal game. For the purpose of league standings, teams shall receive 2 points for a win, 1 point for a tie, and 0 points for a loss.
 - There will be a 10 minute grace period for all games that week day games (Monday through Friday) that are scheduled to begin at 6:00pm. If the grace period is in effect, it is understood that the 65 time limit begins at the scheduled starting time for the game. In the event the grace period is used, the team having less than 9 players gives up home team status for the game (or both games in the event of a double header with the same team). If both teams have less than 9

players at game time for a single game, the home team status will revert back to the team designated as home on the schedule. If both teams have less than 9 players at game time for a double header with the same team, a coin flip will determine home team status. There is no grace period for Sunday games or for games that are scheduled to begin at 6:15 PM or later.

- Any team leading by 15 or more runs after 4 innings (3-1/2 if the home team is ahead) or 10 or more runs after 5 innings (4-1/2 if the home team is ahead) or any complete inning thereafter will be declared the winner and the game will be complete.
- A player or coach who is bleeding or who has blood on his uniform shall be prohibited from participating further in the game until appropriate treatment can be administered. If medical care or treatment can be administered in a reasonable length of time, the individual would not have to leave the game. An athlete shall not continue competition unless the bleeding is controlled and the wound is covered.
- If no official umpire arrives for a game, the game may be played if both team managers agree and there is a qualified person present to umpire said game. If the game is started with a volunteer umpire, it must be completed. Payments to volunteers or unauthorized umpires is at the risk of the teams and Howard County will not reimburse such payment. The Department should be notified when an umpire does not show or is late.
- Complaints concerning umpires, other teams, etc. must be made in writing and there is no fee requirement for these.
- The Co-Rec Division will play A.S.A. Co-Ed rules. Exception: Defensive position rule does not apply.
